Ephraim, Utah
Deferred April 2018

Lambda
Full Stack Web Development

Enrolled September 2018

Employment History

Strala
R&D Intern

May 2018 - Present

Hobbies & Interests

Art - I love painting and sketching, I have been practicing both for many years. I enjoy experimenting with different methods and mediums to discover what works and looks better.

Astronomy - I have loved learning about outer space ever since I can remember. I follow every new announcement, discovery, and launch.

Games - I enjoy games with challenging puzzles and rich storylines.

Professional Skills

AWS	★★★★☆
Command Line	★★★★☆
Git	★★★★☆
